

for crafting

for friendship

for renewal

for inspiration

Gather the Girls for a Crafting Get-away at Transformations Spirituality Center

Crafting Area

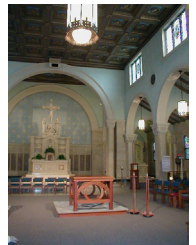

A variety of lighting is available - natural light from the southeast or southwest with blinds for control, dimmable recessed lights and fluorescent lights. An eight foot table and padded chair are provided for each crafter. The alcoves in the rooms are great to set-up ironing boards, machines and shared equipment and supplies. Free wireless internet access is available throughout the building.

Inspiration

Inspiration abounds in this spiritual space. The walls host many unique art pieces and nature is right outside your window.

And if that doesn't do it, take a walk trip down the hall to Holy Family Chapel. Dedicated in 1925, this holy space features gold gilding and hand painted murals on the walls and ceiling, travertine marble and French Cane stone with mosaic inlay. The space speaks for itself.

Dining

Breakfast, lunch and dinner buffets are prepared for your group. Snack and beverage stations are available in your crafting room.

Overnights

The overnight rooms are single or double occupancy with private bathrooms and adjustable temperature controls.

Girl Time

Your hands are bound to feel a little worked, so schedule some pamper time for a massage. Take a stretch and walk outdoors for fresh air, exercise and some inspiration from mother nature.

Field Trips

Break away to take in some of Kalamazoo including the area's shops and the Kalamazoo Institute of Art.

Location

Transformations Spirituality Center is a ministry of the Congregation of St. Joseph located in their motherhouse at the corner of Gull and Nazareth Roads in Kalamazoo. We're only minutes from I-94 and US-131 at 3427 Gull Road in Kalamazoo, Michigan 49048.

Planning & Budgeting

For budgeting purposes, plan that a group of 10 people staying Friday night through Sunday afternoon could retreat for under \$200 per person including quilting space, overnight rooms, meals and snacks.

Gather the girls and their calendars to schedule a crafting get-away. Then contact us at 269-381-6290 ext. 310 or rental@csjoseph.org to plan your retreat.

"When I walk into Transformations my whole being just goes 'whoosh' and I feel held, relaxed and I'm entering a very safe, holy place. This is the perfect place for doing retreats because it is so quiet, welcoming and accepting." ~ G.W.
